2026 MONDAY League

ALL MEMBERS MUST HAVE A GOLF CANADA MEMBERSHIP TO PARTICIPATE.
EARN VALUABLE FEDEX PARTICIPATION POINTS BY PLAYING EACH WEEK!

The weekly league will be based on your Golf Canada index, so it is very important to input all of your scores - home or away, 9 or 18 holes, Monday League or recreational rounds. This policy will give you a true representation of your actual handicap throughout the course of the season!

Also, with the addition of the Golf Canada index a new and improved corresponding tee system will be in place. This year we can combine skill and age with the addition of the Golf Canada Membership.

The Pro Shop will post the front nine scores to Golf Canada for all participants, but everyone will be responsible for posting their back nine scores. Please note, since multiple tees are in place, golfers must indicate what tees they play from to ensure the correct handicap is applied to their scores.

2026 MONDAY League Format

On League Days, you have the freedom to book your tee time whenever it suits you and choose your own group. Flying solo? No problem, our staff will gladly pair you with other players, giving you the chance to meet new friends along the way.

As a member, you'll also enjoy 30-day advance booking (28 days for VIP Members) to secure your preferred tee times. Just reach out to our team, and we'll be happy to assist!

MONDAY LEAGUE FORMAT

Open – $12.00

Our Monday League features a two-person blind best ball handicap format *(see first page for handicap details).* After your round, simply submit your scorecard to the Pro Shop, and you'll be randomly paired with another league player. Your combined scores will determine your team's result for that round!

Skins Game – $5.00

Test your skills in this optional gross score division! The lowest score on a hole wins the skin—if there's a tie, no skin is awarded. If no skins are won, the pot carries over to the next league day!

Lucky Draw – $3.00

Think of it as golf's version of Lotto 649! At the end of the night, our staff will randomly select names from the participants, and the lucky winners will split the total pot.
